HILLDALE HIGHLIGHTS

The "Hilldale Highlights" had an award winning year this year. The newspaper captured several awards at Northeastern State University's Press Day on April 13. It captured the Best-All-Around newspaper award as well as several overall writing awards. First place overall awards were won in news, feature, and columns. The newspaper also tied for third place in sportswriting. Several individual staff members received awards at Press Day.

The staff consisted of Jimmy Frazier, editor; David Wehrle, co-editor; Jeanne Ayers, News Editor; Christine Lienhart, Feature Editor; and Rebecca Ashwood, Sports Editor. Other members of the journalism class/newspaper staff were Cammie Curtwright, Jessie Mellon and Lisa Waters. Newspaper adviser was Mrs. Watson.

HILLDALE SCHOOL DAZE

What do you have when you put together two creative writing classes, a special amount of imagination and determination, and Mrs. Hendrickson? You have the "Hilldale School Daze", the middle school newspaper.

Mrs. Hendrickson's fourth and sixth hour creative writing classes took turns writing and printing the monthly school newspaper.

Each class had two editors who proofread, edited, and even typed the newspaper before it was sold to the students. Students who were on the staff and in art as well did all of the artwork for the paper.

The funding from the paper will be used for purchasing a mimeograph machine so that the staff can type and print their own newspaper.

PEP RALLIES — CLASS SPIRIT

Class rivalries were going strong this year. Class spirit was spurred on by various projects during the school year. Starting out the year was the greased pole climbing contest. Next came Roberts' Rats as a pep assembly. The floats for the homecoming parade encouraged the rivalries and spirit even more. Then came the powder puff football game which featured the male cheerleading squad. Competition continued with the ham and turkey sales, canned food drive, and toy drive.

At the close of the year, the juniors proved to be the victors.

DRAMA

Drama class proved to be a busy class this year. The students did a variety of things such as clown routines, juggling, writing their own skits, and acting out skits. One set of students wrote a skit about a mock beauty pageant and then performed it for the class. The class even got a chance to participate in a mock disaster that was sponsored by the Red Cross.

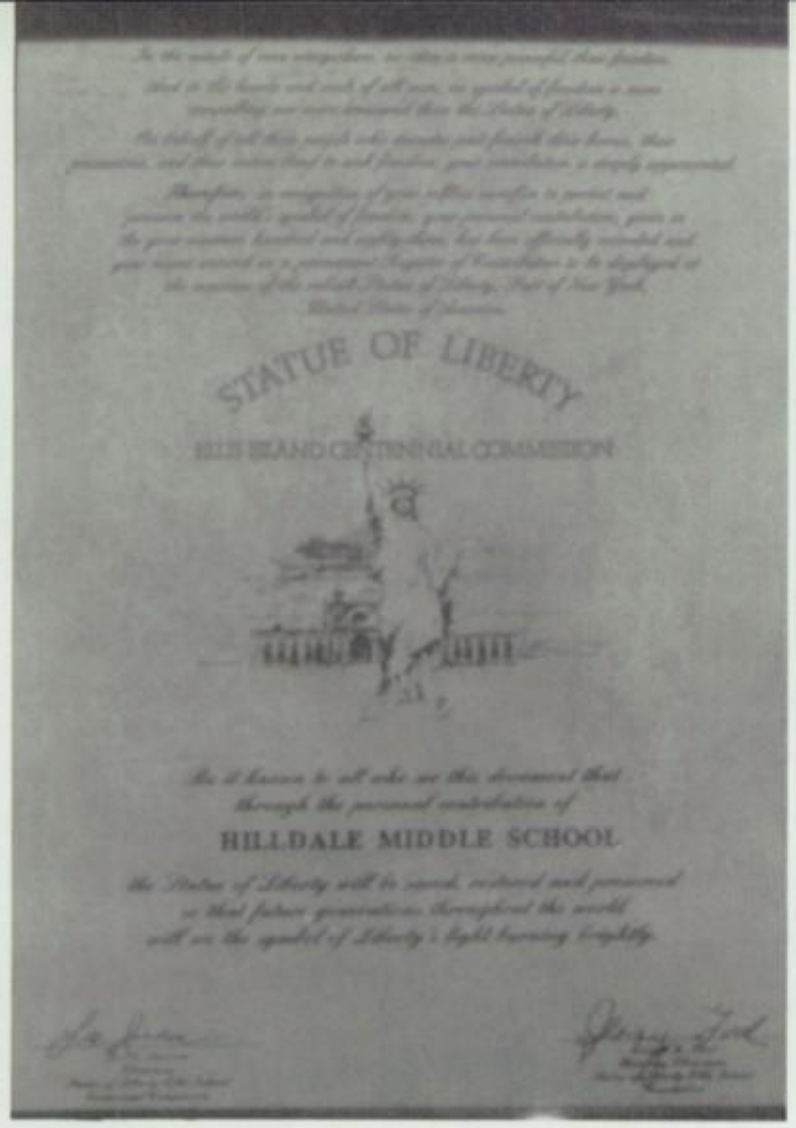
DINNER THEATER

Hilldale presented its third annual dinner theater on April 27 and 28. This year the high school musical production was "Anything Goes." The cast was made up of members of the junior and senior class as well as members of the music department. Many hours of hard work were put into the musical production before the opening performance.

"Anything Goes" is set in the early 1930's aboard the S.S. American docked in New York and headed for Southampton, England. Gangsters, lady evangelists, American heiresses seeking to marry wealthy English men, and the aristocracy of the '30's all find a place in this musical adventure.

Some of the cast members were: Kathryn Harder as Reno Sweeney, David Wehrle as Billy Crocker, Jaci Lunday as Hope Harcourt, Darrin McDaniel as Sir Evelyn Oakleigh, Mike Garbow as Moonface Martin, Lori Gibson as Bonnie, Monty Nichols as Elisa Whitney, and Rebecca Ashwood as Mrs. Harcourt.



October 25, 1983

Dear Students:

Nancy and I wanted you to know how proud we are of the work you and Mrs. Allen have been doing for the Statue of Liberty restoration.

In less than a month you have raised almost $5,000 to help restore one of the most beloved of America's monuments. For nearly a hundred years she has stood in New York Harbor welcoming visitors and immigrants to our shores, serving as a symbol of hope for a better life to many millions of people.

As you know, the years have taken their toll on Liberty, and it's time for a few repairs. It pleases me to know that there are so many Americans of all ages who are willing to help with the restoration project. You are learning about another tradition in our land, and that is when the people of America join together they can accomplish just about anything imaginable.

In the future, many of you will take your children to visit this monument. Tell them the story of how you were a part of this important effort, and tell them how fortunate they are to live in this great land of freedom.

We wish you the very best for much success in your studies and for the future.

Sincerely,

Ronald Reagan

PATRIOTIC SEVENTH GRADERS

The seventh grade History students of Dorothy Allen were inspired to do their patriotic duty as American citizens to help defray the cost of the restoration of the Statue of Liberty by raising $300. The drive for funds began on September 7, and continued through November 11. The activities included such things as a benefit Middle School skating party, an exercise-athon, and bake sales. With the help of many area citizens, the Hilldale School District successfully raised $4,655.78.

Mrs. Allen, instigator of the fundraising drive, expressed her approval of the schools' efforts to raise funds when she said, "It's a success!"

Because of its efforts, Hilldale received a certificate of recognition from the Statue of Liberty Foundation to put in the classroom. The school will also have its name put on a plaque in the Statue of Liberty Museum.

On November 14, 1983, the Middle School had an all school assembly which was covered by all the local television stations and newspapers. Mayor Fite spoke to the students and then presented Mrs. Allen with a letter of commendation from the President of the United States. Each seventh grade student was also presented with a letter of praise from the President.

The impact of this project on the teachers, students, administration and patrons of the Hilldale District can be summed up in the phrase, "In unity there is strength."

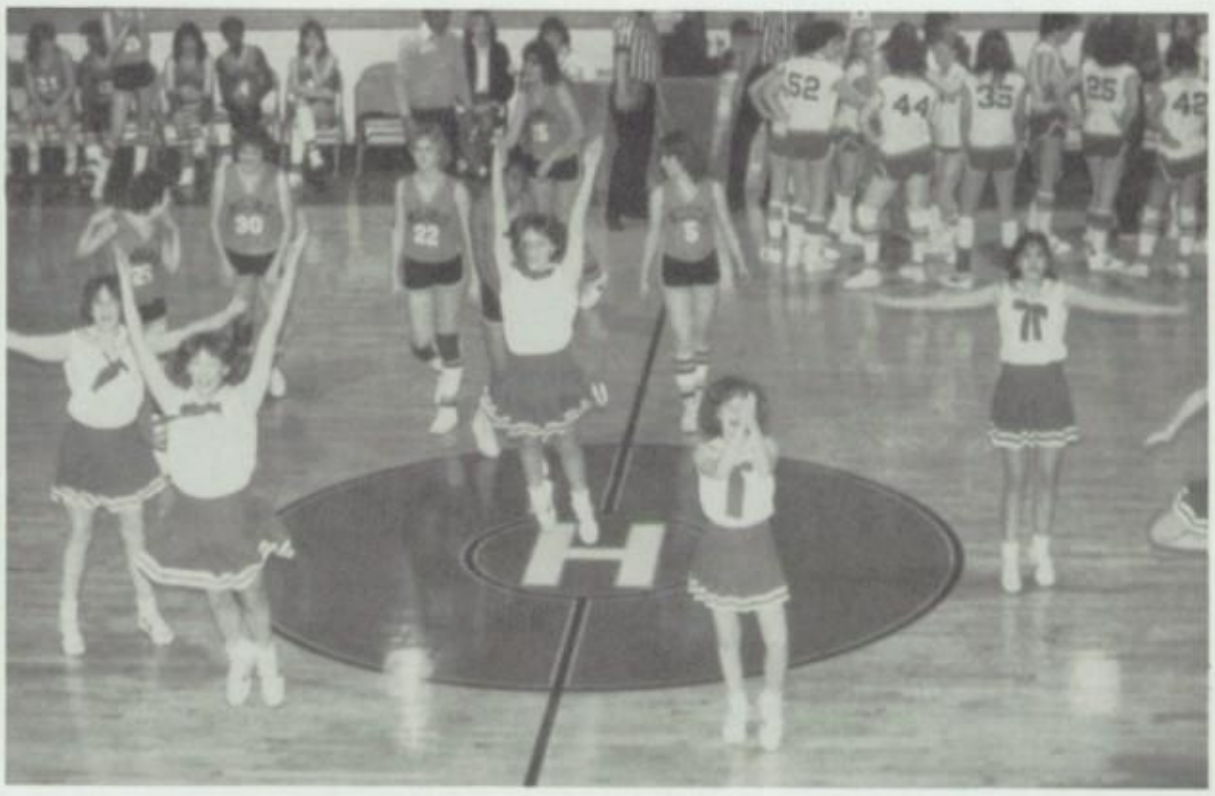
CHEERLEADERS



HIGH SCHOOL STUDENT

The HIGH SCHOOL STUDENT COUNCIL was busy this year. They did the usual things such as thinking up and planning a greased pole climbing contest, a toy drive, a canned food drive, and a dance every so often. But they also had two other projects this year. They helped raise the money to erect the new marquee in front of Hilldale High School and to place a new bulletin board on the wall outside the high school office.

The MIDDLE SCHOOL STUDENT COUNCIL undertook quite a few projects this year. Aside from their regular activities, they bought lockers for the middle school, a bulletin board, and easels for the art classes. An even larger project that was much appreciated by the students was the blacktopping of part of the school grounds in order to play basketball during recess.

CRIMSON CHALLENGE

The Crimson Challenge, made up of the marching band, the drill team, and the flag corp, is one group that is not to be forgotten. The group met to practice and learn new routines two weeks before school started. This paid off this year with superior ratings at contests in Pryor and in Tahlequah. The Crimson Challenge received its highest honor, though, at state contest when it received Sweepstakes, the highest honor that a band can possibly hold.

RULES FOR 1915 SCHOOLTEACHERS

Truly the life-style of a schoolteacher has changed radically in the last 50 or 60 years. For example, a 1915 teachers' magazine listed the following rules of conduct for teachers of that day:

* You will not marry during the term of your contract.
* You are not to keep company with men.
* You must be home between the hours of 8 p.m. and 6 a.m. unless attending a school function.
* You may not loiter down town in any of the ice cream stores.
* You may not travel beyond the city limits unless you have permission of the chairman of the board.
* You may not ride in a carriage or automobile with any man unless he is your father or your brother.
* You may not smoke cigarettes.
* You may not dress in bright colors.
* You may under no circumstances dye your hair.
* You must wear at least two petticoats.
* Your dresses must not be any shorter than two inches above the ankle.
* To keep the schoolroom clean, you must: sweep the floor at least once daily; scrub the floor at least once a week with hot, soapy water; clean the blackboards at least once a day; and start the fire at 7 a.m. so the room will be warm by 8 a.m.

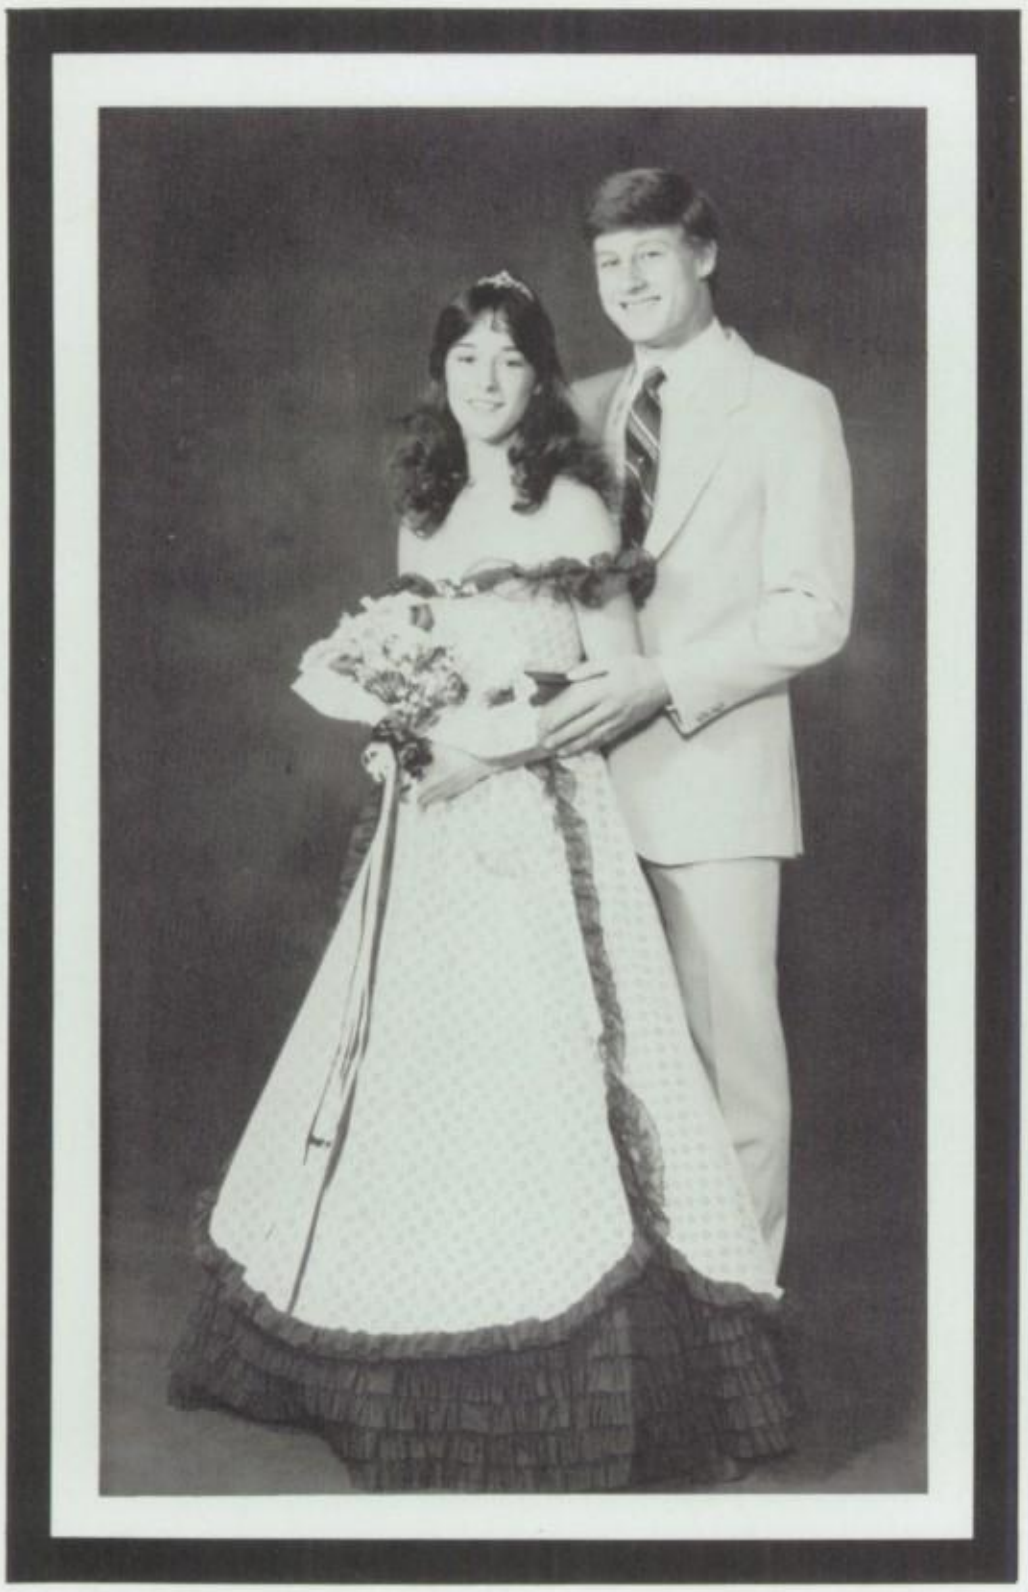
BAND ROYALTY

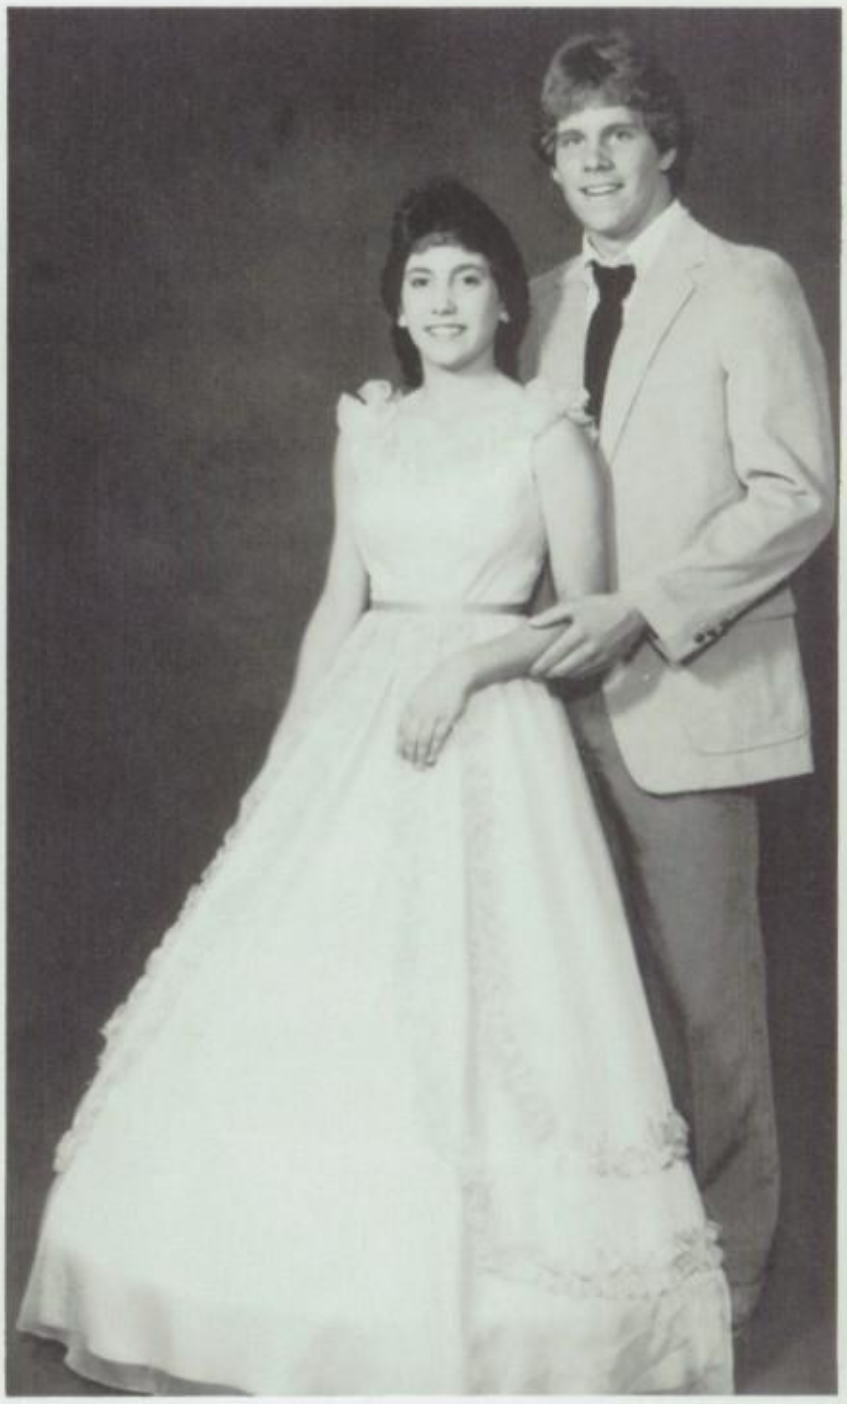
On February 17, Hilldale's Crimson Challenge held its second annual Band Coronation as senior Melissa Barnett was crowned queen at an all-school assembly.

Members for the Band Court were chosen

from the band — also known as the Crimson Challenge, the Dazzlers, and the Flag Corp. Each of these groups participated in the coronation.

Top row: Members of the 1983-84 Band Coronation were Queen, Melissa Barnett escorted by sophomore Chip Reid; First Attendant, junior Lisa Waters escorted by junior, Jim Causon; Second Attendant, sophomore Lynne Gibson escorted by junior, Mike Felts; Third Attendant, senior Kathryn Harder escorted by sophomore, Charles John.





FOOTBALL ROYALTY

Football Coronation was an extra special time for Queen Teresa Chapple. The queen was crowned before the student body at an assembly held during sixth hour. After school, the queen and her court, the band,

BASKETBALL ROYALTY

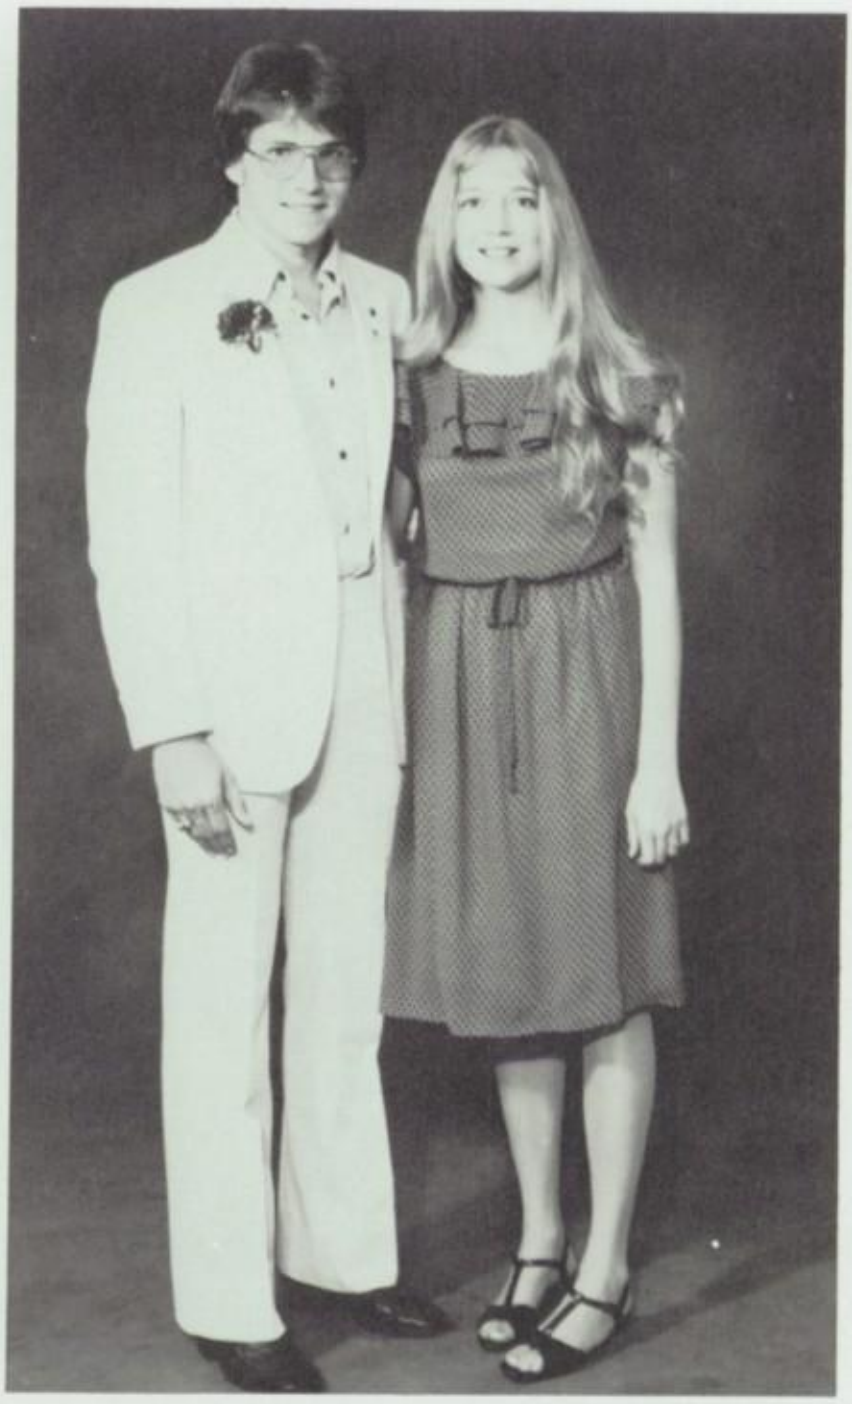
With the entire student body present as well as the faculty and some parents, Shelia Moore was crowned queen at the Basketball

Coronation by King Ted Lowery at an all-school assembly. The queen and her court, dressed in their formals, were presented to the student body by their escorts who were also dressed in their best attire. The Crimson Challenge, Dazzlers, Flag Corp, and Cheerleaders also assisted with the coronation.

Top row: Members of the 1983-84 Basketball Court were Queen, Shelia Moore escorted by senior, Ted Lowery; Senior Attendant, Jowanna Jones escorted by senior, John Johnson; Junior Attendant, Audrey Porter escorted by junior, Tim King; Sophomore Attendant, Robyn Wood escorted by sophomore, Matt Lowery.

ALL SCHOOL QUEEN

All School Queen candidates raised $2,273 which went toward four $250 Student Council Scholarships. The remainder was placed in the organization's fund for various school projects.



ROYALTY

Freshman Debbie Canterbury was crowned All School Queen at a dance on March 2. Debbie collected $687 during the week for fund raising.

First runner-up was sophomore Katrina Coffman who collected $373. Cammie Curtwright, freshman, captured second runner-up while junior Loretta Plunkett was third runner-up.

JUST FOR YOU

SPORTS

HIGH SCHOOL FOOTBALL

TO OUR HORNETS

In the past you've shown your class
By breaking other teams,
You took their pride and broke their bones
Along with all their dreams.

Hornets, you have stayed on top
And never given in,
To teams that tried to ruin you
And bring you to an end.

To all our players who run or kick
Or even bat the ball,
You've given us a world of pride
And a reason to stand tall.

And now our year is ending
And we see all we have won,
We'll always be the victors
And remain the royal ones!
